

Parent Agreement

Sting Timbers FC is a competitive, nonprofit club supported solely through player fees, club fundraising events, and volunteer labor. To participate in Sting Timbers FC, every player's parents must agree to meet their financial, fundraising and volunteer obligations. Failing to do so negatively impacts individual teams and the club.

I agree to the **financial obligations** associated with having a player on a team:

- *Registration fees*
- *Uniforms*
- *Tournament fees*
- *Travel expenses*
- *Head coach expenses for tournaments*

I agree to the **fundraising obligations** associated with having a player on a team:

- *Annual Club Raffle*
- *Other fundraising opportunities as approved by the board*

I agree to the **volunteer obligations** associated with having a player on a team:

- *Team volunteer positions (such as team manager and referee representative)*
- *Hot Shot Tournament volunteers*
NOTE: Parents who do not volunteer or do not show up for their volunteer position at the Hot Shot Tournament will be fined \$100 for each unfulfilled volunteer obligation.
- *Other volunteer opportunities as approved by the board*

I agree to pay club fees, participate in all fundraising events, and commit to a team volunteer position. I also agree that for every child I have playing in Sting Timbers FC, my family will fill one volunteer position at the Hot Shot Tournament each year. If I fail to meet these obligations, I will be subject to the “no pay, no play” policy and/or a \$100 “non-volunteering” fine.
